

2633136 - GST IN: How to enable ODN generation for all incoming invoices?

Component: FI-LOC-MM-IN (Financial Accounting > Country/Region-Specific Localizations > Materials Management > India (aka XX-CSC-IN-MM)), Version: 4, Released On: 03.08.2024

Symptom

How to enable ODN generation for all incoming invoices?

Environment

- Materials Management (MM)
- SAP ERP Central Component
- SAP ERP
- SAP enhancement package for SAP ERP
- SAP enhancement package for SAP ERP, version for SAP HANA
- SAP S/4HANA
- SAP S/4HANA Cloud Public Edition

Cause

As per standard, the official document numbering(ODN) will be stored in the field **XBLNR_ALT** of BKPF table for the inward supply documents (invoice, credit note and debit note) **from unregistered vendors with reverse charge**.

Resolution

In BAdI ‘J_1IG_CHANGE_ODN_CHECK’, you can set flag (X) for the variable C_ODN_FLAG and C_SUPPLY_TYPE = '1' based on the document type for which ODN generation is required.

For Cloud Customer, use the cloud BAdI - J_1IG_CHANGE_ODN_CHECK.

To Know more about implementing BAdI in SAP S/4HANA Cloud Public Edition, follow the KBA [3295502](#) - GST IN: Implementation of custom BADI for India in SAP S/4HANA Cloud Public Edition.
